

**STP CONSTRUCTION LIMITED
SAFETY, HEALTH, ENVIRONMENTAL AND QUALITY
POLICY AND MANAGEMENT SYSTEM**

ENVIRONMENTAL POLICY STATEMENT

STP Construction Limited recognises the importance of environmental management and is committed to operating its business responsibly.

STP Construction Limited is committed to:

- Compliance with relevant environmental legislation and other requirements that the company subscribes to, which relate to the company activities, products and services
- Prevention of pollution
- Developing, implementing and regularly reviewing the Environmental Policy and Procedures, ensuring that these are kept up to date with legislative and organisational changes and ensuring, wherever practicable, that industry best practice is followed.
- Provide training, support and required resources to employees to ensure effective implementation of the environmental management system (EMS), as appropriate to their roles.
- Continually improving the company's environmental performance by setting and regularly reviewing a framework of objectives and targets.
- Environmental Protection which considers Sustainable Resource Use and Climate Change Mitigation

This Environmental Policy is communicated to all employees and made available to the public on request.
